PREVIOUS EXPERIENCES

Pojok Literasi

August 2023 - October 2023

Concept Developer

- Developed and proposed creative concepts and themes for upcoming events, ensuring alignment with client objectives and event goals.
- Provided innovative ideas and visual direction to enhance the overall event experience and audience engagement.
- Supervised on-site execution of event setups, ensuring that all decorative and logistical elements met the planned design and quality standards.
- Coordinated with team members and vendors to ensure smooth implementation of event concepts from planning to execution.

Panen Karya

Desember 2023 - February 2024

Decoration Team

- Operated power tools such as grinders and saws to fabricate and install decorative elements, contributing to faster setup times and improved project efficiency.
- Painted and finished various surfaces as part of event and interior decoration projects, ensuring high-quality visual results aligned with design specifications.
- Independently sourced required materials by coordinating with vendors and suppliers, streamlining procurement and reducing delays during project execution.
- Supported the end-to-end execution of decoration projects, from material preparation to on-site installation

Youth Blood Donation Program

November 2024 - Desember 2024

Event Coordinator

- Coordinated all aspects of the blood donation event, including securing the venue, finalizing the schedule, and ensuring smooth day-of execution.
- Managed participant selection and registration process to ensure a well-organized and efficient donor flow.
- Secured sponsorship and in-kind support from frozen food companies, pharmacies, and student associations, increasing event resources and engagement.
- Collaborated closely with the Indonesian Red Cross (PMI) to ensure all medical procedures and standards were met during the event.
- Acted as the main liaison between stakeholders, sponsors, and the organizing committee to align objectives and responsibilities.

Charity Event for Orphans and the Underprivileged

February 2025 - March 2025

Event Coordinator

- Identified and recorded eligible orphaned and underprivileged children as beneficiaries through direct outreach and data collection.
 - Sourced and engaged individual and organizational donors to secure financial contributions and material support for the event.
 - Developed a detailed event timeline covering planning, fundraising, shopping, and distribution phases to ensure efficient execution.
 - Oversaw the full cycle of the program, including fundraising coordination, budget planning, purchasing essential goods, and distributing donations to beneficiaries.
 - Ensured transparency and accountability throughout the process, maintaining clear records of donations and expenses.
-
